**GLOBAL NOTES AND
STATEMENT OF LIMITATIONS, METHODOLOGY,
AND DISCLAIMERS REGARDING CENVEO, INC., *ET AL.*’S SCHEDULES
OF ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

Cenveo, Inc. and the other above-captioned debtors and debtors in possession (collectively, the “Debtors” or “Cenveo”) have filed their respective Schedules of Assets and Liabilities (the “Schedules”) and Statements of Financial Affairs (the “Statements”) in the United States Bankruptcy Court for the Southern District of New York (the “Bankruptcy Court”). Cenveo, with the assistance of its legal and financial advisors, prepared the Schedules and Statements in accordance with section 521 of chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”) and Rule 1007 of the Federal Rules of Bankruptcy Procedure.

Mark S. Hiltwein has signed each set of the Schedules and Statements. Mr. Hiltwein serves as Cenveo’s Chief Financial Officer and he is an authorized signatory for each of the Debtors in these chapter 11 cases. In reviewing and signing the Schedules and Statements, Mr. Hiltwein has necessarily relied upon the efforts, statements, advice, and representations of personnel of Cenveo

¹ The last four digits of Cenveo, Inc.’s tax identification number are 0533. Due to the large number of Debtor entities in these chapter 11 cases, which cases are being jointly administered for procedural purposes, a complete list of the Debtor entities and the last four digits of their federal tax identification numbers is not provided herein. A complete list of such information may be obtained on the website of Cenveo’s claims and noticing agent at <https://cases.primeclerk.com/cenveo>. and its legal and financial advisors. Mr. Hiltwein has not (and could not have) personally verified the accuracy of each such statement and representation, including statements and representations concerning amounts owed to creditors.

In preparing the Schedules and Statements, Cenveo relied on financial data derived from its books and records that was available at the time of such preparation. Although Cenveo has made every reasonable effort to ensure the accuracy and completeness of the Schedules and Statements, subsequent information or discovery may result in material changes to the Schedules and Statements. As a result, inadvertent errors or omissions may exist. For the avoidance of doubt, Cenveo hereby reserves its rights to amend and supplement the Schedules and Statements as may be necessary or appropriate.

Cenveo and its agents, attorneys, and financial advisors do not guarantee or warrant the accuracy or completeness of the data that is provided herein, and shall not be liable for any loss or injury arising out of or caused in whole or in part by the acts, errors, or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating, or delivering the information contained herein. While commercially reasonable efforts have been made to provide accurate and complete information herein, inadvertent errors or omissions may exist. Cenveo and its agents, attorneys, and financial advisors expressly do not undertake any obligation to update, modify, revise, or re-categorize the information provided herein, or to notify any third party should the information be updated, modified, revised, or re-categorized, except as required by applicable law. In no event shall Cenveo or its agents, attorneys, and financial advisors be liable to any third party for any direct, indirect, incidental, consequential, or special damages (including, but not limited to, damages arising from the disallowance of a potential claim against Cenveo or damages to business reputation, lost business, or lost profits), whether foreseeable or not and however caused, even if Cenveo or its agents, attorneys, or financial advisors are advised of the possibility of such damages.

Global Notes and Overview of Methodology

1. **Description of Cases.** On February 2, 2018, (the “Commencement Date”), each of the Debtors filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code. Cenveo is operating its business and managing its property as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On February 5, 2018, an order for procedural purposes, [Docket No. 33], was entered directing joint administration of these chapter 11 cases. Notwithstanding the joint administration of Cenveo’s cases for procedural purposes, each Debtor has filed its own Schedules and Statements. The information provided herein, except as otherwise noted, is reported as of the close of business on the Commencement Date.
2. **Global Notes Control.** These Global Notes pertain to and comprise an integral part of each of the Schedules and Statements and should be referenced in connection with any review thereof. In the event that the Schedules and Statements conflict with these Global Notes, these Global Notes shall control.
3. **Reservations and Limitations.** Reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements; however, as noted above, inadvertent

errors or omissions may exist. Cenveo reserves all rights to amend and supplement the Schedules and Statements as may be necessary or appropriate. Nothing contained in the Schedules and Statements constitutes a waiver of any of Cenveo's rights or an admission of any kind with respect to these chapter 11 cases, including, but not limited to, any rights or claims of Cenveo against any third party or issues involving substantive consolidation, equitable subordination, or defenses or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code or any other relevant applicable bankruptcy or non-bankruptcy laws to recover assets or avoid transfers. Any specific reservation of rights contained elsewhere in the Global Notes does not limit in any respect the general reservation of rights contained in this paragraph.

- (a) **No Admission.** Nothing contained in the Schedules and Statements is intended or should be construed as an admission or stipulation of the validity of any claim against Cenveo, any assertion made therein or herein, or a waiver of Cenveo's rights to dispute any claim or assert any cause of action or defense against any party.
- (b) **Recharacterization.** Notwithstanding that Cenveo has made reasonable efforts to correctly characterize, classify, categorize, or designate certain claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements, Cenveo nonetheless may have improperly characterized, classified, categorized, or designated certain items. Cenveo reserves all rights to recharacterize, reclassify, recategorize, or redesignate items reported in the Schedules and Statements at a later time as is necessary and appropriate.
- (c) **Classifications.** Listing (i) a claim on Schedule D as "secured," (ii) a claim on Schedule E/F as "priority" or "unsecured," or (iii) a contract on Schedule G as "executory" or "unexpired" does not constitute an admission by Cenveo of the legal rights of the claimant or contract counterparty, or a waiver of Cenveo's rights to recharacterize or reclassify such claim or contract.
- (d) **Claims Description.** Any failure to designate a claim on Cenveo's Schedules and Statements as "disputed," "contingent," or "unliquidated" does not constitute an admission by Cenveo that such amount is not "disputed," "contingent," or "unliquidated." Each Debtor reserves all rights to dispute, or assert offsets or defenses to, any claim reflected on its respective Schedules and Statements on any grounds, including, without limitation, liability or classification, or to otherwise subsequently designate such claims as "disputed," "contingent," or "unliquidated" or object to the extent, validity, enforceability, priority, or avoidability of any claim. Moreover, listing a claim does not constitute an admission of liability by Cenveo against which the claim is listed or by any of the Debtors. Cenveo reserves all rights to amend its Schedules and Statements as necessary and appropriate, including, but not limited to, with respect to claim description and designation.
- (e) **Estimates and Assumptions.** The preparation of the Schedules and Statements required Cenveo to make reasonable estimates and assumptions with respect to the reported amounts of assets and liabilities, the amount of contingent assets and contingent liabilities on the date of the Schedules and Statements, and the reported

amounts of revenues and expenses during the applicable reporting periods. Actual results could differ from such estimates.

- (f) **Causes of Action.** Despite reasonable efforts, the Debtors may not have identified all current and potential causes of action the Debtors may have against third parties in their respective Schedules and Statements, including, without limitation, avoidance actions arising under chapter 5 of the Bankruptcy Code and actions under other relevant bankruptcy and non-bankruptcy laws to recover assets. Cenveo reserves all rights with respect to any causes of action, and nothing in these Global Notes or the Schedules and Statements should be construed as a waiver of any such causes of action.
- (g) **Intellectual Property Rights.** Exclusion of certain intellectual property should not be construed as an admission that such intellectual property rights have been abandoned, have been terminated or otherwise expired by their terms, or have been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property rights should not be construed as an admission that such intellectual property rights have not been abandoned, have not been terminated or otherwise expired by their terms, or have not been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction.
- (h) **Insiders.** In the circumstance where the Schedules and Statements require information regarding “insiders,” Cenveo has included information with respect to certain individuals who served as officers and directors, as the case may be, during the relevant time periods. Such individuals may no longer serve in such capacities. The listing of a party as an insider for purposes of the Schedules and Statements is not intended to be, nor should it be, construed an admission of any fact, right, claim, or defense, and all such rights, claims, and defenses are hereby expressly reserved. Information regarding the individuals listed as insiders in the Schedules and Statements has been included for informational purposes only and such information may not be used for the purposes of determining control of Cenveo, the extent to which any individual exercised management responsibilities or functions, corporate decision-making authority over Cenveo, or whether such individual could successfully argue that he or she is not an insider under applicable law, including the Bankruptcy Code and federal securities laws, or with respect to any theories of liability or any other purpose.

4. **Methodology.**

- (a) **Basis of Presentation.** The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States (“GAAP”), nor are they intended to be fully reconciled to the financial statements of each Debtor. The Schedules and Statements contain unaudited information that is subject to further review and potential adjustment. The Schedules and Statements reflect Cenveo’s reasonable efforts to report the assets and liabilities of each Debtor on an unconsolidated basis.

- (b) **Confidential Information.** There may be instances in the Schedules and Statements where Cenveo deemed it necessary and appropriate to redact from the public record information such as names, addresses, or amounts. Typically, Cenveo has used this approach because of a confidentiality agreement between Cenveo and a third party, for the protection of sensitive commercial information, or for the privacy of an individual.
- (c) **Umbrella or Master Agreements.** Contracts and leases listed in the Schedules and Statements may be umbrella or master agreements that cover relationships with some or all of the Debtors. Where relevant, such agreements have been listed in the Schedules and Statements only of the Debtor entity that signed the original umbrella or master agreement. Other Debtors, however, may be liable together with such Debtor on account of such agreements and Cenveo reserves all rights to amend the Schedules and Statements to reflect changes regarding the liability of the Debtors with respect to such agreements, if appropriate.
- (d) **Executory Contracts.** Although Cenveo has made diligent attempts to attribute an executory contract to its rightful Debtor, in certain instances, Cenveo may have inadvertently failed to do so due to the complexity and size of Cenveo's businesses. Accordingly, Cenveo reserves all of its rights with respect to the named parties of any and all executory contracts, including the right to amend Schedule G.
- (e) **Duplication.** Certain of Cenveo's assets, liabilities, and prepetition payments may properly be disclosed in multiple parts of the Statements and Schedules. To the extent these disclosures would be duplicative, Cenveo has determined to only list such assets, liabilities and prepetition payments once.
- (f) **Net Book Value.** In certain instances, current market valuations for individual items of property and other assets are neither maintained by, nor readily available to, Cenveo. Accordingly, unless otherwise indicated, Cenveo's Schedules and Statements reflect net book values. Market values may vary, at some times materially, from net book values. Cenveo believes that it would be an inefficient use of estate assets for Cenveo to obtain the current market values of its property. Accordingly, Cenveo has indicated in the Schedules and Statements that the market values of certain assets and liabilities are undetermined. Assets that have been fully depreciated or that were expensed for accounting purposes either do not appear in these Schedules and Statements, or are listed with a zero-dollar value, as such assets have no net book value. The omission of an asset from the Schedules and Statements does not constitute a representation regarding the ownership of such asset, and any such omission does not constitute a waiver of any rights of Cenveo with respect to such asset.
- (g) **Undetermined Amounts.** The description of an amount as "unknown," "TBD," or "undetermined" is not intended to reflect upon the materiality of such amount.
- (h) **Unliquidated Amounts.** Amounts that could not be fairly quantified by Cenveo are scheduled as "unliquidated."

- (i) **Totals.** All totals that are included in the Schedules and Statements represent totals of all known amounts. To the extent there are unknown or undetermined amounts, the actual total may be different from the listed total.
- (j) **Property and Equipment.** Cenveo may lease furniture, fixtures, and equipment from certain third-party lessors. Any such leases are listed in the Schedules and Statements. Nothing in the Schedules and Statements is, or should be construed as, an admission as to the determination of the legal status of any lease (including whether any lease is a true lease or a financing arrangement), and Cenveo reserves all rights with respect thereto.
- (k) **Allocation of Liabilities.** Cenveo allocated liabilities between the prepetition and postpetition periods based on the information and research conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between the prepetition and postpetition periods may change.
- (l) **Paid Claims.** Cenveo has authority to pay certain outstanding prepetition payables pursuant to Bankruptcy Court order—as such, outstanding liabilities may have been reduced by any court-approved postpetition payments made on prepetition payables. Where and to the extent these liabilities have been satisfied, they are not listed in the Schedules and Statements. To the extent Cenveo later pays any amount of the claims listed in the Schedules and Statements pursuant to any orders entered by the Bankruptcy Court, Cenveo reserves all rights to amend or supplement the Schedules and Statements or to take other action, such as filing claims objections, as is necessary and appropriate to avoid overpayment or duplicate payments for liabilities. Nothing contained herein should be deemed to alter the rights of any party in interest to contest a payment made pursuant to an order of the Bankruptcy Court where such order preserves the right to contest.
- (m) **Intercompany Claims.** Receivables and payables among the Debtors are reported on Schedule A/B and Schedule E/F, respectively, per Cenveo's books and records. The listing of any amounts with respect to such receivables and payables is not, and should not be construed as, an admission of the characterization of such balances as debt, equity, or otherwise. For the avoidance of doubt, Cenveo reserves all rights, claims, and defenses in connection with any and all intercompany receivables and payables, including with respect to the characterization of intercompany claims, loans, and notes.
- (n) **Guarantees and Other Secondary Liability Claims.** Cenveo has exercised reasonable efforts to locate and identify guarantees of its executory contracts, unexpired leases, secured financings, and other such agreements. Where guarantees have been identified, they have been included in the relevant Schedules G and H for the affected Debtor. Cenveo may have inadvertently omitted guarantees embedded in its contractual agreements and may identify additional guarantees as it continues to review its books and records and contractual

agreements. Cenveo reserves its rights, but is not required, to amend the Schedules and Statements if additional guarantees are identified.

- (o) **Excluded Assets and Liabilities.** Cenveo has potentially excluded the following categories of assets and liabilities from the Schedules and Statements: certain deferred charges, accounts, or reserves recorded only for purposes of complying with the requirements of GAAP; deferred tax assets and liabilities; certain intangibles; deferred revenue accounts; and certain accrued liabilities. Other immaterial assets and liabilities may also have been excluded.
- (p) **Liens.** The inventories, property and equipment listed in the Schedules and Statements are presented without consideration of any liens.
- (q) **Currency.** Unless otherwise indicated, all amounts are reflected in U.S. dollars.
- (r) **Setoffs.** Cenveo routinely incurs setoffs and net payments in the ordinary course of business. Such setoffs and nettings may occur due to a variety of transactions or disputes including, but not limited to, intercompany transactions, counterparty settlements, pricing discrepancies, credits, rebates, returns, refunds, and negotiations and/or disputes between Cenveo and its customers and/or suppliers. These normal, ordinary course setoffs and nettings are common to the industry. Due to the voluminous nature of setoffs and nettings, it would be unduly burdensome and costly for Cenveo to list each such transaction. Therefore, although such setoffs and other similar rights may have been accounted for when scheduling certain amounts, these ordinary course setoffs are not independently accounted for, and as such, are or may be excluded from Cenveo's Schedules and Statements. In addition, some amounts listed in the Schedules and Statements may have been affected by setoffs or nettings by third parties of which Cenveo is not yet aware and/or of which Cenveo has approved to effectuate in the claims process of its chapter 11 cases. Cenveo reserves all rights to challenge any setoff and/or recoupment rights that may be asserted.

5. **Specific Schedules Disclosures.**

- (a) **Schedule A/B, Parts 1 and 2 – Cash and Cash Equivalents; Deposits and Prepayments.** Details with respect to Cenveo's cash management system and bank accounts are provided in the *Motion of Cenveo, Inc., et al., for Entry of Interim and Final Orders Authorizing Cenveo to Continue (I) to Operate Its Cash Management System, Honor Certain Prepetition Obligations Related Thereto, and Maintain Existing Business Forms; and (II) Its Intercompany Transactions* [Docket No. 6] (the "Cash Management Motion") and the orders of the Bankruptcy Court granting the Cash Management Motion [Docket Nos. 34, 183].

Additionally, the Bankruptcy Court, pursuant to the *Order (I) Prohibiting Utility Providers from Altering, Refusing, or Discontinuing Utility Services, (II) Determining Adequate Assurance of Payment for Future Utility Services, and (III) Establishing Procedures for Determining Adequate Assurance of Payment* [Docket

No. 174], has authorized Cenveo to provide adequate assurance of payment for future utility services, including an initial deposit in the amount of \$1,500,000. Such deposits are not listed on Schedule A/B, Part 2, which has been prepared as of the Commencement Date.

- (b) **Schedule A/B, Part 4 – Investments; Non-Publicly Traded Stock and Interests in Incorporated and Unincorporated Businesses, including any Interest in an LLC, Partnership, or Joint Venture.** Ownership interests in subsidiaries, partnerships, and joint ventures have been listed in Schedule A/B, Part 4, as undetermined amounts on account of the fact that the fair market value of such ownership is dependent on numerous variables and factors, and may differ significantly from their net book value.
- (c) **Schedule A/B, Part 7 – Office Furniture, Fixtures, and Equipment; and Collectibles.** Dollar amounts are presented net of accumulated depreciation and other adjustments.
- (d) **Schedule A/B, Part 11 – All Other Assets.** Dollar amounts are presented net of impairments and other adjustments.

Other Contingent and Unliquidated Claims or Causes of Action of Every Nature, including Counterclaims of Cenveo and Rights to Setoff Claims. In the ordinary course of its businesses, Cenveo may have accrued, or may subsequently accrue, certain rights to counter-claims, cross-claims, setoffs, credits, rebates, or refunds with its customers and suppliers, or potential warranty claims against its suppliers. Additionally, certain of the Debtors may be party to pending litigation in which such Debtor has asserted, or may assert, claims as a plaintiff or counter-claims and/or cross-claims as a defendant. Because such claims are unknown to Cenveo and not quantifiable as of the Commencement Date, they are not listed on Schedule A/B, Part 11.

Interests in Insurance Policies or Annuities. A list of Cenveo's insurance policies and related information is available in the *Motion of Cenveo, Inc., et al., for Entry of Interim and Final Orders Authorizing Cenveo to (I) Pay Its Obligations Under Prepetition Insurance Policies, (II) Continue to Pay Certain Brokerage Fees, (III) Renew, Supplement, Modify, or Purchase Insurance Coverage, (IV) Enter into New Financing Agreements in the Ordinary Course of Business, and (V) Honor the Terms of the Financing Agreements and Pay Premiums Thereunder* [Docket No. 9]. Cenveo believes that there is little or no cash value to the vast majority of such insurance policies. Such policies have all been included on Schedule A/B, Part 11, with values listed as "undetermined."

- (e) **Schedule D – Creditors Who Have Claims Secured by Property.** Except as otherwise agreed pursuant to a stipulation or order entered by the Bankruptcy Court, Cenveo reserves its rights to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule D. Moreover, although

Cenveo has scheduled claims of various creditors as secured claims, Cenveo reserves all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument related to such creditor's claim, including Cenveo's rights pursuant to paragraph 3(a) of the *Final Order (I) Authorizing the Debtors to Obtain Senior Secured Priming Superpriority Postpetition Financing, (II) Granting Liens and Superpriority Administrative Expense Claims, (III) Authorizing Use of Cash Collateral, (IV) Granting Adequate Protection, (V) Modifying the Automatic Stay, and (VI) Granting Related Relief* [Docket No. 188].

The descriptions provided in Schedule D are intended only to be a summary. Reference to the applicable agreements and other related relevant documents is necessary for a complete description of the collateral and the nature, extent, and priority of any liens. In certain instances, Cenveo may be a co-obligor, co-mortgagor, or guarantor with respect to scheduled claims of other Debtors, and no claim set forth on Schedule D of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other entities.

Cenveo has not included on Schedule D parties that may believe such claims are secured through setoff rights or inchoate statutory lien rights. Although there are multiple parties that hold a portion of the debt included in the secured facilities, only the administrative agents have been listed for purposes of Schedule D.

(f) **Schedule E/F – Creditors Who Have Unsecured Claims.**

Part 1 - Creditors with Priority Unsecured Claims. Pursuant to the *Final Order Authorizing the Payment of Certain Prepetition Taxes and Fees*, dated March 8, 2018 [Docket No. 187] (the "Taxes Order"), Cenveo has been granted the authority to pay, in its discretion, certain tax liabilities that accrued prepetition. Accordingly, any unsecured priority claims based upon prepetition tax accruals that have been paid pursuant to the Taxes Order are not listed in Schedule E.

Furthermore, pursuant to the Taxes Order, Cenveo received final authority to pay certain prepetition obligations, including to pay employee wages and other employee benefits, in the ordinary course of business. Cenveo believes that any non-insider employee claims for prepetition amounts related to ongoing payroll and benefits, whether allowable as a priority or nonpriority claim, have been or will be satisfied, and such satisfied amounts are not listed.

The listing of a claim on Schedule E/F, Part 1, does not constitute an admission by Cenveo that such claim or any portion thereof is entitled to priority status.

Part 2 - Creditors with Nonpriority Unsecured Claims. The liabilities identified in Schedule E/F, Part 2, are derived from Cenveo's books and records. Cenveo made a reasonable attempt to set forth its unsecured obligations, although the actual amount of claims against Cenveo may vary from those liabilities represented on Schedule E/F, Part 2. The listed liabilities, which have been listed on a gross

accounts payable basis, may not reflect the correct amount of any unsecured creditor's allowed claims or the correct amount of all unsecured claims.

Cenveo generally does not allocate individual liabilities to particular Debtors. Therefore, in most cases, it would be a time-consuming and inefficient use of estate resources, or impracticable, to assign a given liability to a particular Debtor. To the extent the debt could not be attributed to a specific Debtor, the liability has been listed on Schedule E/F, Part 2, of Cenveo, Corp.

Schedule E/F, Part 2, contains information regarding certain compensation-related claims of insiders of Cenveo, with such claims being listed as both "contingent" and "unliquidated." In scheduling such claims, Cenveo makes no representation or assertion as to the validity of such claims, and Cenveo reserves all rights, claims, and defenses in connection therewith.

Schedule E/F, Part 2, contains information regarding threatened or pending litigation involving Cenveo. The amounts for these potential claims are listed as "undetermined" and are marked as contingent, unliquidated, and disputed in the Schedules and Statements.

Schedule E/F, Part 2, reflects certain prepetition amounts owing to counterparties to executory contracts and unexpired leases. Such prepetition amounts, however, may be paid in connection with the assumption or assumption and assignment of an executory contract or unexpired lease. In addition, Schedule E/F, Part 2, does not include claims that may arise in connection with the rejection of any executory contracts and unexpired leases, if any, that may be or have been rejected.

In the ordinary course of business, Cenveo has retained certain customer prepayments and advances. Given the volume of such prepayments and advances and their confidential nature, Cenveo has not listed such prepayments and advances on Schedule E/F, Part 2. A more thorough description of Cenveo's customer relationships is set forth in the *Motion of Cenveo, Inc., et al., for Entry of Interim and Final Orders Authorizing Cenveo to Maintain and Administer Its Existing Customer Programs and Honor Certain Prepetition Obligations Related Thereto* [Docket No. 7].

In many cases, the claims listed on Schedule E/F, Part 2, arose, accrued, or were incurred on various dates or on a date or dates that are unknown to Cenveo or are subject to dispute. Where the determination of the date on which a claim arose, accrued, or was incurred would be unduly burdensome and costly to Cenveo's estates, Cenveo has not listed a specific date or dates for such claim.

As of the time of filing of the Schedules and Statements, Cenveo has not received all invoices for payables, expenses, and other liabilities that may have accrued prior to the Commencement Date. Accordingly, the information contained in Schedules D and E/F may be incomplete. Cenveo reserves its rights, but undertakes no

obligations, to amend Schedules D and E/F if, or when, Cenveo receives such invoices.

- (g) **Schedule G – Executory Contracts and Unexpired Leases.** While reasonable efforts have been made to ensure the accuracy of Schedule G, inadvertent errors or omissions may have occurred. Additionally, in certain instances, executory contracts and unexpired leases may be omitted due to their confidential nature, but can be made available to the U.S. Trustee on a confidential basis. Additionally, relationships between Cenveo and its customers are often governed by a master services agreement, under which customers also place work and purchase orders, which may be considered executory contracts. Disclosure of all of these purchase and work orders, however, is impracticable and unduly burdensome. Accordingly, to the extent Cenveo has determined to disclose non-confidential master services agreements in Schedule G, purchase and work orders placed thereunder may have been omitted.

Listing a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease or that such contract or agreement was in effect on the Commencement Date or is valid or enforceable. Expired contracts and leases may have also been inadvertently included. Cenveo hereby reserves all of its rights to dispute the validity, status, or enforceability of any contracts, agreements, or leases set forth in Schedule G and to amend or supplement such Schedule as necessary. Certain of the leases and contracts listed on Schedule G may contain renewal options, guarantees of payment, indemnifications, options to purchase, rights of first refusal and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth separately on Schedule G. In addition, Cenveo may have entered into various other types of agreements in the ordinary course of its business, such as supplemental agreements and letter agreement, which documents may not be set forth in Schedule G. Cenveo reserves the right to dispute the effectiveness of any such contract listed on Schedule G or to amend Schedule G at any time to remove any contract.

Cenveo has reserved all rights to dispute or challenge the characterization of any transaction or any document or instrument related to a creditor's claim.

In some cases, the same supplier or provider may appear multiple times in Schedule G. Multiple listings, if any, reflect distinct agreements between the applicable Debtor and such supplier or provider.

Omission of a contract or agreement from Schedule G does not constitute an admission that such omitted contract or agreement is not an executory contract or unexpired lease. Cenveo's rights under the Bankruptcy Code with respect to any such omitted contracts or agreements are not impaired by the omission. Certain Debtors are guarantors and parties to guaranty agreements regarding Cenveo's prepetition credit facility. The guaranty obligations arising under these agreements are reflected on Schedules D and F only.

- (h) **Schedule H – Co-Debtors.** For purposes of Schedule H, only the agent under the prepetition credit facility or counterparties that are subject to a guaranty are listed as co-Debtors on Schedule H. Cenveo has not listed any litigation-related co-Debtors on Schedule H. Instead, all such listings can be found on Cenveo's Schedules E/F.

6. **Specific Statements Disclosures.**

- (a) **Statements, Part 2, Questions 3 and 4 – Payments to Certain Creditors.** Prior to the Commencement Date, Cenveo maintained an integrated cash management system through which Cenveo made certain payments on behalf of its other affiliated entities. Consequently, all payments to creditors and insiders listed in response to Questions 3 and 4 on each of Cenveo's Statements reflect payments made by Cenveo Corp. from its operating bank accounts (the "Operating Accounts"), on behalf of the corresponding Debtor entity, pursuant to Cenveo's cash management system described in the Cash Management Motion.
- (b) **Statements, Part 2, Question 6 – Setoffs.** For a discussion of setoffs and nettings incurred by Cenveo, refer to paragraph 4(r) of these Global Notes.
- (c) **Statements, Part 6, Question 11 – Payments Related to Bankruptcy.** The attachment to Question 11 reflects payments to professionals made from Cenveo's main concentration account, which is owned by Cenveo Corp., on behalf of the 36 other Debtor entities on a consolidated basis. Cenveo believes that it would be an inefficient use of the assets of the estates to allocate these payments on a Debtor-by-Debtor basis. The response to Question 11 in each of the Statements thus refers to the attachment to Question 11 of Cenveo's Statement.
- (d) **Statements, Part 11, Question 21 – Property Held for Another.** Cenveo is obligated under various agreements to remit certain funds held for third parties to those parties, and has received authorization to do so under the *Interim Order Authorizing Cenveo, Inc., et al., To Pay Prepetition Shippers And Warehousemen Claimants, 503(B)(9) Claimants, And Bindery Claimants* [Docket No. 39] and *Final Order Authorizing Cenveo, Inc., Et Al., To Pay Prepetition Shippers And Warehousemen Claimants, 503(B)(9) Claimants, And Bindery Claimants* [Docket No. 169]. To the extent that any of the funds described above are held or paid for the benefit of third parties, such funds do not constitute property of Cenveo's estates or are funds that such third-parties are entitled to under the Bankruptcy Code and the aforementioned Bankruptcy Court orders, and such amounts have therefore not been included in response to Question 21.
- (e) **Statements, Part 12, Questions 22-24 – Details About Environmental Information.** Cenveo has endeavored to disclose all applicable information in response to Statements, Part 12, Questions 22–24.
- (f) **Statements, Part 13, Question 26 – Books, Records, and Financial Statements.** Pursuant to the requirements of the Securities Exchange Act of 1934, as amended,

Cenveo has filed with the U.S. Securities and Exchange Commission (the “SEC”) reports on Form 8-K, Form 10-Q, and Form 10-K. These SEC filings contain consolidated financial information relating to Cenveo and non-Debtors. Cenveo has not filed any financial information specifically related to the Debtors either individually or on a combined or consolidated basis. Additionally, consolidated financial information for Cenveo is posted on the company’s website at www.cenveo.com. In addition, Cenveo provides certain parties, such as banks, auditors, potential investors, vendors, and financial advisors, with financial statements that may not be part of a public filing. Cenveo does not maintain complete lists or other records tracking such disclosures. Therefore, Cenveo has not provided lists of these parties in its Responses to Statement Question 26.

Additionally, Cenveo employs several individuals who have certain regional bookkeeping responsibilities for various Debtors. These individuals previously reported to Cenveo’s controller as the primary individual who directly kept or was in possession of the books and records of the Debtors. Prior to the Commencement Date, Cenveo’s controller resigned and the position has not yet been filled. As a result, Cenveo is listing the regional individuals who have assumed the controllers bookkeeping responsibilities. Due to the repetitive and voluminous nature of this detail, these individuals are only being listed on the schedules of the Debtor by whom they are employed.

- (g) **Statements, Part 13, Question 30 – Payments, Distributions, or Withdrawals Credited or Given to Insiders.** Distributions by the Debtors to their respective directors and officers are listed on the attachment to Questions 3 and 4. Certain directors and executive officers of Cenveo are also directors and executive officers of certain Debtor and non-Debtor affiliates. To the extent payments to such individuals are not listed in the response to Questions 3 and 4 on the Statements for such Debtor affiliates, they did not receive payment for their services as directors or executive officers of these entities. Certain of Cenveo’s directors and executive officers received distributions net of tax withholdings in the year preceding the Commencement Date. The amounts listed under Questions 3 and 4 reflect the gross amounts paid to such directors and executive officers, rather than the net amounts after deducting for tax withholdings.
